- Tuition is non-refundable. No refunds will be issued for client absences, inclement weather days, or other occasions, nor can these days be made-up (with the exception of scheduled inclement weather make-up days).
- When a client's medically necessary, authorized clinical treatment plan includes 1:1 ABA therapy delivered in a school setting:
 - Group instruction tuition will be billed to the family or contracting school district (for students with out-of-district placements), and
 - 1:1 ABA therapy will be billed to the client's private health insurance and/or Medicaid, and the family or contracting school district (for students with out-of-district placements) will be responsible for any co-pays, co-insurance, or fees not covered by the insurance plan/Medicaid.
- Supplemental services, such as speech, occupational, and physical therapies and mental health counseling may be delivered during the student's school day in either the therapist's office or in the student's classroom. School tuition is not prorated for supplemental services that occur within the student's school day.
