[ABC of NC](#) is a nonprofit center committed to providing high-quality, diagnostic, therapeutic, and educational services to people with autism spectrum disorder; ensuring service accessibility to individuals from any economic background; offering support and hope to families; and advocating for inclusion and acceptance. Since 2002, Triad area families in search of answers in the face of an autism diagnosis have found help and hope through ABC of NC, the only comprehensive provider of autism-specific educational and therapeutic services in the area. As one of only three specialized autism centers in NC, ABC of NC serves more than 350 children and families from 18 NC counties annually.

Now in its tenth year, [ABC of NC's Gourmet Lunchbox Lunch](#) will be held Tuesday, October 24 from 11:30 am to 1:00 pm at the Millennium Center (101 W 5th Street, Winston-Salem). This year, ABC of NC presents jazz pianist and autism self-advocate, [Matt Savage](#).

Savage, featured as a child on [ABC's "20/20"](#), is on the autism spectrum and has had a fifteen-year professional career as a jazz musician, bandleader, and composer. He's played with some of the biggest names in jazz, including Chick Corea, the Ellington All Stars, and Wynton Marsalis, and has recorded twelve albums. In April 2015, Matt opened for Neil Young, Stephen Stills, Shawn Colvin and others at Autism Speaks' "Light Up the Blues" concert in Hollywood. Matt released his latest project, a solo piano album, *Matt Savage: Piano Voyages*, in 2016. Matt balances his professional music career with teaching music to children and adults with autism and other developmental disabilities.
